We have a beautiful wall hanging depicting our chosen Christian values. This has been hand made by Mrs Andrew and was blessed in church on Wednesday. It is hanging in our hall.

Every child is bringing home their own, named, water bottle today!

The children report that behaviour on the playground is much better.

We marked our Founder's Day this week. We were founded along with Morecambe Parish Church by the Will of a blacksmith called Francis Bowes – 270 years ago!

We have new little books of playground games for our welfare staff to use to keep children entertained during the lunch break.

On Wednesday this week every child in year 6 had shown a **gold** standard of behaviour for learning – wow!
