6th February 2015

Water bottles
Forgiveness
Parents' Evening

Water Bottles

We have been fortunate enough to be able to provide one water bottle for each child. Your child will bring this home today and you will find their name already written on! There is no charge to you for this first bottle. If this bottle needs to be replaced then there will be a charge of £1.50.

The bottles and caps are all manufactured and printed in the UK using only industry standard food-use approved materials and are BPA free and fully BSEN71 certified. They are fully dishwasher safe, durable, long-lasting and can be recycled when finished with. They are fitted with unique 'hands-free' caps which are self-closing to avoid accidental leaking and there is nothing to chew on or break off.

Forgiveness

This is the Christian value we will be learning about after half term. It fits in very well with the theme of Lent. We will be looking at what forgiveness means e.g. 'to stop feeling angry or resentful towards someone'. Please support us in this at home.

"Forgiveness is giving up the hope that the past could be any different."

Parents' Evening

This is on Wednesday 25th March. Each appointment is 10 minutes and they are available from 3:30pm- 5:30pm and 6pm-8pm. Please note the half hour break, staff will not be able to see anyone during this time.

Appointment sheets will be in the entrance hall from Wednesday 11th March. Please call in and write either your name or your child's next to an available time. We can arrange to see the parents of every child but we cannot **guarantee** two separate appointments.

Menu (Week 3)
