It was good to have Rev Mike back with us on Wednesday!

Mrs Bould had a long, positive conversation with our HMI about our continuing progress.

We have settled back into our routines very quickly. It was good to experience the purposeful atmosphere on our Learning Walk.

Our Coffee Morning was a success. Thank you to all those who helped and joined us.

As you will know school suffered some vandalism over Easter. Thank you for all the messages of support and offers of help over this. It is appreciated.

Congratulations to Mr & Mrs Newiss who got married over Easter!
