Our broken windows have now been replaced and a new back gate is on order!

An adviser was in school today from MIT (Monitoring and Intervention Team) at the Local Authority to review our progress. She is very impressed at how much we have done in a short time.

30 children have been offered a place at our school for September – this means that we have another full class!

We have been contacted by a former pupil to thank us as her secondary school are very impressed with her French speaking and she started this here!
