

Poulton-le-Sands'

Good News!

These are the topics each class will start with in September:

Reception: Starting school!

Year 3: Light and shadow

Year 1: 'Go Wild!'

Year 4: Sparks might fly

Year 2: Back to the past

Year 5: Aliens

Year 6: Survival

The Local Authority passed their congratulations onto us for another year of good results!

Year 3 had a fantastic, if busy, time at Brockholes!

Year 2 thoroughly enjoyed their time at Heysham Pool.

When asked by Governors several children described the year as 'really, really good' and 'the best year ever' with 'lots of fun' and 'I love school'!!

Children think they have improved their skills this year in everything from punctuation to riding a bike!

Children are proud of their work in maths, English, especially writing and in the wider curriculum including History, Art and P.E.
