"I got a great sense of achievement" – Year 5 comment on Bikeability

Year 1 learned a lot from their visit to the Sea Life Centre and enjoyed it very much!

While Year 5 were out undertaking Bikeability we had the following comments from members of the public:

"It's lovely to see children learning in the real world."

"They are so well behaved – a credit to your school."

"It's a tremendous idea teaching children to be on a real road and handle it safely."

"I wish they had this when I was at school – such a good idea."

Year 4 found their visit to Global Renewables fascinating and were a credit to the school.

Year 2 spent the day exploring Morecambe and discovered a lot that they didn't know already!
