

# Poulton-le-Sands'

## Good News!

Next week your children will be learning about:

Reception: Autumn

Year 3: Writing mystery stories

Year 1: The Gruffalo

Year 4: Subtraction

Year 2: Harvest

Year 5: The Weather (in French!)

Year 6: Features of the UK

Congratulations to Reception for completing their first full week in school.

Small alterations to routine now mean that children are far quieter moving around the building.

Mrs Bould had a very positive phone call with our HMI who is delighted with our progress.

We have been busy designing banners to warn of the dangers of parking outside school – the winner will be made into a banner and displayed on our railings.

Our coffee mornings have started up again and we had a really good attendance with some great ideas- thank you all!

The Friends meeting last week went really well! They have lots of activities planned – watch this space!
