

# Poulton-le-Sands'

## Good News!

Next week your children will be learning about:

Reception: Starting school!

Year 3: Light and Shadow

Year 1: 'Go Wild!'

Year 4: Sparks Might Fly

Year 2: Back to the Past

Year 5: Aliens

Year 6: Survival

We now have a disabled toilet facility! This was put in over the summer!

The corridor to Mrs Bould's room and the stock room has had minor alterations to accommodate the disabled toilet and looks much smarter!

Year 6 has had a new floor put down. It looks good and should hopefully make Y2 much quieter!

Year 4 will have new desks, unfortunately these have not arrived yet and we are chasing this up!

We will soon be starting work on replacing the two boilers. I will keep you informed!

It was great to see everybody back, raring to go! We've had a good start to the year – long may it continue!
