Toilet twinning news!
We now have our toilets twinned with several – all over the world. They are in: Pakistan, Kenya, Burundi, Cambodia, Democratic Republic of Congo, Bangladesh, Uganda and Sierra Leone!

We do have specific information about where exactly in each country our toilets are and I will send a separate letter out next week!

Three of our governors visited this week to look at the children's book. They were very impressed at the high quality and quantity of work in them.

Reception are settling in and enjoying school:

"We get to do busy learning."

"I like being a happy helper."

There is a 'Fun Palace' event at Lancaster Library this weekend. More information is available at [Facebook.com/LancasterFunPalace](https://www.facebook.com/LancasterFunPalace)

Recorder club have been learning new notes and then using them in songs – well done!
