### Rev Debbie

Many of you will be aware that Rev Debbie is now very unwell. She is beginning some different treatment that may help her to feel better and possibly slow down her illness. I am sure you will join us in keeping the family in our thoughts at this time.

We are in the process of booking some 'guest speakers' for our Wednesday Worship.

### Contact Details and Medical Forms

These forms are going out today. Please check the contact details carefully as there is nothing more distressing for a sick child than not being able to get hold of a family member and them having to stay in school or go to hospital with a teacher. It is also vital that we have up to date information on any medical conditions, allergies etc your child might have so please complete and return these as soon as possible. Thank you!
