

# Poulton-le-Sands'

## Good News!

**Next term your children will be learning about:**

**Reception: Space**

**Year 3: Rainforests**

**Year 1: Castles**

**Year 4: Art of Food**

**Year 2: Weather**

**Year 5: Food, Glorious Food**

**Year 6: WWII - part two**

Everyone's patience and understanding at a trying time – thank you!

The way the children settled straight back into school routines following all the excitement! They were excellent!

Our new boiler is very efficient and very intelligent! It came through the power cut unscathed!

Our Christmas tree for the Christmas Festival looked beautiful. The children made decorations on the theme of 'Angels'.

Although our rates of absence are still above the national average we have narrowed the gap over the last three years from 3.5% above to 0.9% above! Let's keep it going and close the gap completely!

The Infant staff are busier than usual preparing for the Nativity please bear in mind the recent difficulties! I am sure your children will do a great job!
