

# Poulton-le-Sands'

## Good News!

Next week your children will be learning about:

Reception: Making sea creatures

Year 3: Position and direction

Year 1: What the ladybird heard?

Year 4: Using sorting diagrams

Year 2: Easter Symbols

Year 5: Area and perimeter

Year 6: Trip to The Winter Gardens

The Year 2 children were wonderfully behaved and had a fun time at Happy Mount Park on Wednesday.

Year 5 enjoyed their orienteering trip to Williamson Park today and managed not to get too lost!

Mrs Crewe was back with us for 2 half days this week, we are looking forward to her increasing the time she is with us 😊

Mrs Bould, Mr Newiss & Mr Wane conducted pupil interviews this week based upon a friendship theme and were happy with how the children understood what a friend is.

Our school advisor has visited this week and is pleased with the ongoing efforts the school is making in its drive for improvement

We had a lovely comment from a parent who was watching the children playing and having fun at playtime yesterday.
