

# Poulton-le-Sands'

## Good News!

Next week your children will be learning about:

Reception: Bug man & Mini beasts

Year 3: Time

Year 1: Pom-pom sheep

Year 4: Measures

Year 2: Zoo poetry

Year 5: 'Ugly Bugs' visit

Year 6: Geometry

Thank you to everyone who supported the Y2 afternoon tea. We can report the total raised next week!

Year 4 and Year 5 had a visitor from the Tim Peake Project and had fun conducting all sorts of space related experiments.

Year 3 were using the climbing wall at Morecambe High on Friday – a great adventure!

The Easter Egg Hunt was very successful especially at dodging showers! Thank you to the Friends' for organising this.

Steven Hewitt from Stanley Road Baptist Church led our worship on Wednesday. I'm fairly certain the children can now tell the Easter story using the word EASTER!

Our Fencing Club started this morning! Thank you to those involved for making the effort to get your children here on time!
