Let Kids be Kids

I am aware of a campaign called 'Let Kids Be Kids' which is gaining momentum across the county through its Facebook page and through its website (details below). It is a campaign organised by parents following the concerns they have about the current assessment regime from the DfE and the undue pressure being put on children currently.

If you decide that you wish to take part in this action then I must advise you that we cannot authorise any absence **unless** you use the letter that can be downloaded from the link below. **It must be this letter and no other letter.** Your child's absence will then be authorised as 'Special Circumstances'.

The absence letter from the national campaign is here:
