From after half term Year 1 will play out on the big playground at breaks and lunchtimes. This should give them more space to run around.

Our 'Park and Stride' article in The Visitor has been well received.

An unannounced visit to our kitchen from environmental health has resulted in us keeping our level 5 status!

Well done Lesley and her team.

Lisa Horobin, Diocesan Senior Adviser to Schools, led our Wednesday worship. She was very impressed with our children's knowledge.
