

Poulton-le-Sands C.E. Primary School

Welcome back to a new school year and term! We especially welcome our new Reception children and those who have joined us over the summer, we're sure you will be very happy here!

We hope that you've had a lovely summer and are glad to be back. The children have come back in a really settled manner and we look forward to a successful, happy and productive year! As a reminder we will be sending a monthly newsletter out on the first Friday of each month, to keep you updated on news and upcoming events, and of course with updates on FB.

Vision

Last Year we spent a lot of time asking children, parents, staff and governors to contribute towards our new vision—and we're immensely proud of what we have created! We really feel it describes us well and what we do in school. During the next half term we will be supporting the children in learning it and breaking it down to discuss what it means to all of us.

As a sanctuary of Christian love, we forge futures in our community. We inspire a joy of learning and a delight in one another. In faith, we are refined through challenge, growing with God, together.

The light shines in the darkness and the darkness shall not overcome it.

John 1 v.5

Our Christian values underpin our curriculum— which one is your child exploring?

Help requests

Reception class are asking for donations of any 30cm+ non toxic plants that could be used in the Reception classroom.

We are wondering if there are a group of wonderful people out there who would be willing to spend an hour or two a month in helping with some gardening and maintenance jobs around the Reception area.

If you could help out with either, please let one of the Reception team know, thank you.

Times Table Rockstars

We have bought Times Table Rockstars for the children in Key Stage 2. The children all have an individual password. Please download the IOS or Android app, or play it online (Times Tables Rock Stars Maths Circle Ltd). Most children have played it already in school and love it!

We welcome Ms Fondja, who will be teaching in Year 5 for a term initially, whilst we appoint an Assistant Headteacher.

The flu nasal spray is booked in for the 16th October for Reception up to Year 6. This is an important way of keeping your child healthy and hopefully safeguarding against flu! Please return the forms with your consent on as soon as you can.

As always, we hope that you have a fantastic year, but there may be some bumps along the way for your child, please talk to the classteacher initially and then Mrs Hope/Mrs Stockton our pastoral workers so that we can work with you to make everything smooth again.
