Physical Development

We will be continuing with our 'busy fingers' activities and developing strength in our hands ready for writing.

In PE sessions we'll move our bodies with control in a variety of ways such as hopping, skipping, jumping and running.

We'll also develop control over balls and other objects when throwing and catching.

Expressive Arts and Design

Look out as we turn into dinosaurs and act out lots of adventures.

We will be making a large dinosaur landscape complete with volcano. Then we will play with it!

In music we'll be exploring instruments, keeping the pulse and singing lots of songs.

Through these stories we will learn about how to be a good friend and who we can ask for help if other children aren't kind to us.

We will develop our understanding of what is right, what is wrong and why. Our super behaviour in class will reflect our understanding of this.

Understanding the World

We will make a volcano and explore changes in materials.

We'll be using the ipads to explore apps that support our learning in phonics and maths. Our mouse control will develop as we use the computer.
