- Online Safety
- Food Collage using ICT.
- Times table rock stars

Funny Bones

Christian Value

Compassion – what does it mean? Our charity this year.

Science (Nutrition and Bones)

- Identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.
- Identify that humans and some other animals have skeletons and muscles for support, protection and movement.

Hook: Watching Funny Bones and listen to stories.

Experience: Making healthy snacks and Christmas Food.

Celebration: Inviting parents in to taste our sandwiches and listen to our music.

Learning to Learn - Relationships

- I try to understand the point of view of another person.
- I recognise the thoughts and feelings of others.

D.T. (Food)

- Understand the principles of a healthy and varied diet.
- Prepare and cook dishes using a range of cooking techniques.
- Understand seasonality and know where and how a variety of ingredients are grown.
- We will be planning, designing, making and tasting healthy snacks.

Art (Food Art)

- Use food as a starting point for artwork, either using food as a model or using food to actually make art!
- We will be making art using paint, printing, collage, and pencils.
