

Review: Due to the Covid-19 pandemic school closed to most children from March to July 2020. Attainment and progress data are not available for this year. Evaluation below assessing progress with action up until March 2020.

PUPIL PREMIUM GRANT REPORT 2019 – 2020

Based on prior experience this is our planned expenditure for 2019/20.

Progress towards these objectives will be assessed termly.

Number of pupils and Pupil Premium Grant (PPG) received			
Total number of pupils on roll (as at 23/09/2019)		179	
Total number of pupils eligible for PPG (as at 23/09/2019)		54	
Estimated total amount of PPG to be received		£85,800	
Summary of PPG spending 2019 - 2020			
Objectives of spending PPG: <ul style="list-style-type: none"> To accelerate the progress of children in receipt of the Pupil Premium Grant, particularly in writing. 			
Record of PPG spending by item/project 2019-2020			
Item/Project	Cost	Objectives	Progress towards objectives
Pastoral Support: Provide full time pastoral care, separate from teaching staff, up to L2 on the CoN.	£35,000	Remove barriers to learning on a daily basis. Provide early support to families and reduce the number of pupils escalating to CIN and CP and support families subject to CiN or CP plan to help them come off these.	Full time pastoral care in place providing greater consistency. More support accessed earlier
1-1 and small group support provided by TA, T and SLT to accelerate progress in writing.	£30,000	Target pupils make accelerated progress in writing and to be at ARE by July 2020.	Small group support was provided.
Participate in a writing project within our cluster or in partnership with LA.	£2,000	To write for a purpose and to see writing as a shared, enjoyable experience. This motivation for writing leading to accelerated progress with PPG children attaining ARE where capable.	This project did not start.
Establish a pen-pal relationship with a link school in Myanmar to provide a purpose for writing.	£180	To write for a purpose and generate enthusiasm. Regular writing and editing opportunities leading to accelerated progress and more children attaining ARE.	This did begin and we had written and received letters. It sadly stopped due to the pandemic.
Subsidising the cost of curriculum enrichment. Our Life boat List – saving us from the ordinary.	£7,700	Ensure target children have access to a range of experiences and to remove the potential cost barrier. This is to give them experiences to write about.	Experiences continued up until march 2020.

Subsidising access to extra-curricular activities	£500	Ensure target children have access to a range of experiences and to remove the potential cost barrier, further building their cultural capital and aiding writing content.	These continued until March 2020.
Promote school attendance & reduce absence.	£3,000 (inc additional hours for attendance officer)	Close the gap in attendance between PPG and non-PPG pupils. Persistent absentees to have immediate parental involvement, monitoring and sanctions if necessary. Attendance for all groups to be above 95%.	Attendance obviously was badly affected by the pandemic. Prior to this improvements were being made and poor attendance challenged with parent contracts.
Subsidise the toast and fruit provision at morning break.	£100	To ensure that all children have their basic needs met and are able to learn.	This continues and did so for key worker children and vulnerable children while we closed.
Breakfast Club for Y6 pupils in SATs week	£70	To ensure the Y6 pupils have had breakfast during SATs week and are all in school on time.	SATs were cancelled.
Purchase water bottles	£250	Improve hydration of pupils. One free bottle will be provided to each new pupil.	This was achieved.
External support with emotional need/behaviour: e.g. Educational Psychologist, Short Stay School, Consultants.	£7,000	Enable target children to be emotionally stable enough to access the curriculum and remove barrier to learning.	This was accessed for a child in crisis.

Attainment and Progress of Children in 2018/19	2019 Data	2020 Data
% of pupils Y1-Y6 achieving end of year expectations + - Reading	63%	
% of pupils Y1-Y6 achieving end of year expectations + - Writing	61%	
% of pupils Y1-Y6 achieving end of year expectations + - Maths	63%	
% of PPG pupils Y1-Y6 achieving end of year expectations + - Reading	59%	
% of PPG pupils Y1-Y6 achieving end of year expectations + - Writing	48%	
% of PPG pupils Y1-Y6 achieving end of year expectations + - Maths	58%	
Reading Progress score for Y2-Y6	-2.39	
Writing Progress score for Y2-Y6	-2.95	
Maths Progress score for Y2-Y6	-2.94	
% of pupils achieving age related expectations in Reading	58%	
% of pupils achieving age related expectations in Writing	58%	
% of pupils achieving age related expectations in Maths	65%	
% of pupils achieving age related expectations in English & Maths combined	46%	
% of PPG pupils achieving age related expectations in Reading	46%	
% of PPG pupils achieving age related expectations in Writing	36%	
% of PPG pupils achieving age related expectations in Maths	46%	
% of PPG pupils achieving age related expectations in English and Maths combined	27%	

Summary		
Total PPG estimated to be received	£85800	
Total PPG planned expenditure	£85800	
PPG remaining	£0
